Attached please find all documents from 1/1/2025 to present that are responsive to your request. In addition, Commissioner Neunder called Bill Furst on Mr. Furst's cell phone on July 9. Mr. Furst called him back with a response. I do not have any documentation of those calls, but Mr. Furst reported them to me.

Sincerely,

Brian Loughrey, CFE

Chief Deputy

Representing the Honorable Bill Furst, CFA, Sarasota County Property Appraiser
